The workers taking a well-earned break!

Students learning about bush food from Diana Moran.
BUNGONIA BUSHGARDEN PROJECT
The students in Years 2 to 6 went along to Bungonia last Friday to do some physical work by helping with the Bungonia Bogong Bush food garden. After working in the heat, we had morning tea in the Bungonia hall where Anne Wiggan had organised fruit platters for us. She really enjoyed the artwork and research the students had completed on the Bogong moth. Anne showed us some of the sights of Bungonia and all students were extremely well behaved and very appreciative of Anne’s hospitality. We will attend the grand opening early next year.

SCHOOL PHOTOS
School photos were taken today with students looking very smart in school uniform with their smiley faces.

KINDERGARTEN ORIENTATION
The final Kindergarten Orientation day will be this Thursday between 11.30-2.50. All of the children who have attended this year’s Orientation are invited to our Presentation Night where they will be awarded a certificate of participation for partaking in our Kindergarten Orientation this year.

CHRISTMAS HAMPER
Each year at Presentation Night we have a Christmas Hamper to raffle. We are currently collecting items for this. If you have something that would be great in a Christmas hamper, please send along to school. Thank you to those who have already sent in items.

PRESENTATION NIGHT
Please find attached an invitation to our Presentation Night. As discussed at a P&C meeting earlier this year, we will be having supper only and no dinner. Over the years it has been wonderful to see our Presentation Night growing with many of the wider community members of Windellama supporting our school with their attendance. This year the night will be held at the Windellama Community Hall so as everyone can fit comfortably. Please fill in and return the attached information about numbers.

NATIONAL HEART DAY
Last Friday we participated in National Heart Day. We all came together in our buddy learning pairs to sew red hearts. Students who finished their hearts took them home on Friday. We will have time to finish hearts this week. Money raised by selling the hearts for $1.00 will help the Children’s’ Hospital at Westmead.

WEDNESDAY LUNCH
Wednesday lunch this week is Beef Stroganoff/Rice and a cake at $2.00 per serve. Thank you to Brad for providing lunch this week.

RECESS BUY UP
Recess Buy Up will be on this week with the usual menu.

SPORTING GRANT
We applied for and were successful in receiving a sporting grant of $625.00 from Franks Financial Planning in Goulburn. We thank Frank and the ‘Pink Ladies’ for their generous support. The money will help fund specialist sporting coaches, equipment and transport to and from sporting events.
LIEDER THEATRE EXCURSION
K-6 students will attend the Lieder Theatre production of ‘You’re a Good Man, Charlie Brown’ on Tuesday 2 December. The cost of the performance is $6 per person and $6 each for the bus. We still need parent assistance to help transport students to and from Goulburn.

SCHOOL CAMP-OVER FOR ALL STUDENTS
The end of term treat is a sleep-over at school on Thursday 11 December. All students are invited to this event. The program will run as follows:

NURSING HOME VISITS
We will perform at the three nursing homes in Goulburn on Wednesday 3 December. This is an annual event that we all look forward to. Students will sing and play Christmas Carols for the residents at Waminda, Warrigal and Masonic. Parents are welcome to attend and by doing so make this a special event. Remember to send in the permission note that was attached to last week’s newsletter.

School will be covering the cost of the bus hire.

We would like all students to have a Christmas T-shirt to wear and we will supply Christmas hats. If you need any assistance with this request please ring and talk with us about it.

ASSEMBLY
Assembly is Wednesday 26 November at 2.20pm. Students are keen to show off their musical talents at this assembly. So please come along if you are able to.

KIDS, HOMEWORK AND LIES
Do you think your child is lying about their homework? Listen to psychologist Anne Hollonds chat with James O’Loghlin on what to do when the dog eats the homework. Homework tips:

MATHS AT HOME
Kids' early experiences with measurement are often based on watching their parents. Seeing mum or dad measure and pour ingredients for a recipe or weigh items at the fruit shop will often become part of their play. Maths at home:
