On the 26/5/14 Brooke and I went with Mrs Edworthy to the Australian Institute of Sport in Canberra for the Grip Leadership conference. We went there on a double decker bus it was pretty cool. At Grip Leadership we talked about being a good leader and different ways of helping younger students. We also played some game that was helping us become better leaders and become a bit more out there. Out of every school at least one student got to go up on the stage in front of everyone and read something out. I really enjoyed that day.

Last week we went to the Grip Leadership Conference in Canberra. We learnt about how to be a good leader. It was fun, I saw my cousin Ethan and other friends from Tarago. We played some games. We went on a double decker bus.

FIREWORKS & AUCTION NIGHT
The annual P&C Fireworks and Auction Night, is this Saturday 7 June. We are very fortunate to have a brilliant P&C who are very dedicated to our school and raising funds to make our school a great place to be. This Saturday the P&C need everyone’s help to make this fundraiser the great event that it is each year.

The day will commence in the morning with the setting up. The Auction will commence at approximately 2.00pm followed by the Fireworks display.

We still need donations for the “PICK-a-JAR” stall. The types of items needed to fill the jars are knick-knacks, lollies, tissues, pencils, etc. if you are able to donate some small items and send them along to school, we can commence organising the “Pick-a-Jar”.

We also ask for donations of cakes and slices please.

Thank you to Ros and Malui who have indicated that they can help run the kitchen. However we do still need people to help on the gate. A copy of the Gate Roster is attached to the Newsletter. If you can help with this, please indicate what time and return to school.

There is a P&C meeting tonight and there will be a note with updated information about the fireworks sent home tomorrow. Please look out for this note in your child’s bag.

OUR GOAL
Remember our goal! We want to change this area into a brilliant multipurpose playing area for our students. The impact it will have for students is immense. Please find some time to help with this P&C fundraiser.

FIREWORKS CLEAN UP
Each year a small band of people go and do a final clean-up of the hall on Sunday morning. The Windellama Progress Association always comments on how well we leave the hall. The hall is booked the following day so cleaning up must be completed by Sunday morning. Generally we have the kitchen cleared and cleaned and tables and chairs stacked away on Saturday night and the only necessary cleaning is the sweeping and washing of the floor, toilets and rubbish clean-up outside. More information about the time will be in tomorrow’s note.

GCoPS CONCERT REHEARSAL
Tomorrow the Primary students have a GCoPS concert rehearsal at Bradfordville Public School between 10.15 and 11.45. Transport is by school bus. There was a permission note that went home last Wednesday. If you haven’t returned this please do so for tomorrow.

RECORDER CLUSTER REHEARSAL
The cluster rehearsal for the Festival of Instrumental Music (Recorders) Concert in the Opera House will be held at Bowral Public School. The date for this is Thursday 12 June from 10 – 2pm. This time to be confirmed as we may have to adjust our attendance times around the bus. The price is $6.00 per students and this price is heavily subsidised. A Permission Note is attached.

WEDNESDAY LUNCH
Wednesday lunch this week is Chicken and Vegie Homemade Pies at $1.50. Thank you to Karen for

CWA COUNTRY OF STUDY FOR 2014
This year the CWA country of study is the Republic of Botswana. Students in Years 2-6 will complete research questions at school and then be sent home some cardboard with their research questions pasted on the back.

Students then decorate the front of the cardboard with their choice of information to show what they have found out about Botswana. They decorate their project with pictures, photos and graphics of their choice.

Students are encouraged to use some of their spare time at school to do further research or print off any graphics they need to take home.

Windellama, Tarago and Tirranna student’s projects and colouring pages are then judged by the CWA ladies and students are able to win prizes and projects can be chosen to go to the next level. Jordyn’s project deservedly went onto the next level last year. Completed projects are due at school on Monday 16 June.

Completed projects are due back at school on 16th June, ready to be picked up by the CWA ladies.
