*Reminder note for Spacexpo (for parents who need one)

NEXT P&C MEETING TONIGHT
6.30

Well done to two Very Important Students at our school, Koby and Alexei. They both did a wonderful speech last Friday.
2015 KINDERGARTEN PARENT INFORMATION MORNING

This Wednesday 3 September, we are looking forward to meeting with parents of the students who will be entering Kindergarten in 2015. If there are students you know who are eligible to enter Kindergarten in 2015 please ask them to contact us and they’re more than welcome to come along on Wednesday.

FOOTY COLOURS DAY

Footy Colours Day is this Friday. For a gold coin donation students have the opportunity to wear their favourite football team’s colours. They can wear jerseys, scarves, beanies or simply the colour of their favourite team.

As stated on the Footy Colours Website:
More than 800 Aussie kids and teens are diagnosed with cancer every year. During treatment and recovery they can miss hundreds of days away from school, friends and family.

Each year thousands of Australians unite and wear their favourite footy colours to help raise money to give children and teens living with cancer a brighter future.

We’ll have a colouring in competition and some great kicking competitions too.

PEER SUPPORT TRAINING

The Peer Support training that Mrs Murray and I went along to in Wollongong last week was excellent. We will be implementing the first module of the program next term. For this to happen the peer leaders will need to be trained. This will entail a full day. We will train Years 5 and 6 students as well as Year 4 students in preparation for next year.

SPACEXPO

There are still some students who haven’t returned their permission note and money for the Sport and Cultural Expo (SpacExpo) which is on next Wednesday 10 September. There is a permission note attached for those students who haven’t returned notes. Please return the note by this Friday so we can finalise transport. This year all K-6 students will attend.

Depart from school: Students depart school at 9.20 by bus.

Arrive: Students arrive at Carr Convoy Oval at 9.50.

Recess: At 10.00, students will have their recess (they have brought from home).

Activities begin: Activities begin at 10.30.

Lunch: A lunch consisting of a sausage sandwich, bottle of water and fruit will be provided free of charge to all students.

Depart: Students will depart for school at 2.00.

Arrive: Students arrive back at school at approximately 2.30.

Students must wear their full school uniform, including school hat and appropriate shoes to play sport in.

In past years it has been cold so it is advisable to take a jacket.

Students will need to take their recess and a bottle of water is essential.

WEDNESDAY HOT LUNCH

Wednesday lunch this week is Home Made
Nuggets and Salad at $2.00. Thank you to Karen for preparing and serving the nuggets. We all know how delicious they are.

RECESS BUY UP
Recess Buy Up is on this week Small packets of chips are still on the menu for 60 cents each. Thank you to our leaders Cameron and Brooke for their cooking skills in the preparation of recess buy up this week.

ROSTRUM PUBLIC SPEAKING
Staff and students were very impressed with Koby and Alexei’s speeches last Friday. Koby chose the topic A Helping Hand and Alexei chose How to survive without computers. Both speeches were very well delivered and thought provoking. It was evident that Koby and Alexei had put a lot of thought and work into the speeches.

FATHERS’ DAY
We’d like to wish all of our dads a great Fathers’ Day on Sunday. We hope you can relax and enjoy a day with your family.

GRANDPARENTS’ DAY
Remember if you would like to invite family to this open morning the date is Monday 27 October. The invitation is also extended to our wider community and a notice will go into the Windellama News next month.

IDEAS TO HELP YOU DRINK MORE WATER
Pack a water bottle whenever you go out in summer, pack a frozen water bottle in your child’s lunch box. Don’t keep sweetened drinks at home; make cold water available instead. Water down sweetened drinks – such as cordials or fruit juice – for a short time and then start to replace them with plain water. When playing sport, encourage kids to drink water rather than sports drinks or energy drinks. Serve plain water in decorative jugs. Add slices of lemon, orange or mint for flavour and, in summer, add ice cubes to keep it chilled. Serve sweetened drinks in smaller glasses and only have them occasionally – not every day.

Remember:
Choose water as a drink. Sweetened drinks such as soft drinks, fruit juice drinks, cordials, sports and energy drinks are not a necessary part of a healthy diet. Regularly offering sweetened drinks makes it harder to choose water as a drink. If sweetened drinks are on the menu, try not to include them every day and choose healthier options, such as watered-down versions of favourite drinks. These will still quench your thirst, but without the excess sugar and kilojoules. It can also help reduce the preference for strongly sweetened drinks.

KINDERGARTEN ORIENTATION
Our first Kindergarten Orientation for 2015 students will be held next Thursday 9.00-11.30. We are all looking forward to welcoming our new students. Year 2 students will have the opportunity to find out what it’s like to work in the primary classroom in preparation for their big move into Year 3.

DEC INFORMATION

WEEK 8 PLAYGROUND AWARD RECIPIENT
Congratulations to Beau!
